to our Heroes*

Louie Lee and his team utilize this space each month to spotlight a non profit to create awareness in our community. Many of us want to help and just don't know what to do or how. This month we are highlighting Grammy's Cookie Convoy as it touched us close to home with our own family in the military service and with Louie's own son, Logan who is currently serving his second deployment to Okinawa, Japan. It touched our hearts immensely.

Grammy's Cookie Convoy® has been a recognized 501(c)3 Non-Profit since 2005, and has had a registered trademark since 2020. The goal is to let those who serve this great nation know we honor their commitment, and remain appreciative for their unselfish sacrifice. Our mission is to share a "Hug" with all our troops by sending gourmet chocolate chip cookies. The "Chocolate Chip Hugs" shared represent something much larger than just satisfying one's sweet tooth. It is our way of sending a small piece of home to thank the brave heroes who serve and protect a grateful nation. The "Mega-Shipments" we host have grown exponentially to 10,000 cookies annually on Super Bowl Sunday every year. Requests from our deployed troops require additional shipments that continue throughout the year. Each box of cookies includes handwritten messages from across the nation. Our partnership with The Morning Bull 100.3 FM yields over 70,000 cards and letters annually. Each message is proofread before making the trip overseas. Fundraising events, and workdays include a host of volunteers, who join us in sharing support to our deployed Troops.

HOW CAN YOU HELP?

1. WRITE A CARD,
2. BECOME A VOLUNTEER,
3. DONATE \$

If you write a letter or card to the service member, please include a heartfelt thank you and let them know you are sending a chocolate chip cookie just for them! It means the world to those who are far away from home and miss their family and friends. It's a hug from home.

Please help us support this cause by showing our thanks to our troops. Louie will be volunteering to package the next round of cookies that will be sent, and many right to where his son will be stationed. The next round of cookies will cost over \$25,000 to produce and ship, any amount donated is appreciated! The Venmo QR code is included with this article for ease of donating! Thank you in advance for your generosity. **The next mega shipment is happening on SUPER BOWL SUNDAY - February 8, 2026.** Please visit www.grammyscookieconvoy.com for more details.

Recently, I had the honor of attending a fundraising event for Grammy's Cookies. Their mission is to send letters of encouragement along with chocolate chip cookies to our heroes around the world. I quickly learned that my own son, Airmen Logan Lee, received these very cookies when he was deployed. He explained how they reminded him of home and the words of encouragement brightened his days as he served our Country. I knew I had to be involved and share their mission.
